SHARING HOPE

Nuestros Pequeños Hermanos

- The Francesca Rava Foundation helps children in difficult conditions in Italy and in the world through projects, distance adoptions, voluntary work, awareness activities on children's rights and represents in Italy N.P.H. - Nuestros Pequeños Hermanos, founded in 1954 in Mexico by Father W. B. Wasson, present with orphanage houses and hospitals in 9 countries of Latin America.

Haiti

Haiti is a fourth-world country, among the last in the world ranking for the conditions of childhood, mortality and destitution.

It is a little bigger than Lombardy and has almost 9 million inhabitants.

The official language is Creole / French.

- 1 child in 3 dies before 5 years of malnutrition and treatable diseases;
- 80% of the population live on less than 1 dollar a day;
- 1 child out of 2 does not go to school;
- the average life expectancy does not exceed 55 years;
- 70% of the population has no work.

January 2010: a terrible earthquake causes 230,000, 300,000 injured and 1 million homeless people. Today the country has not yet risen from the catastrophe. Meanwhile, he was hit by cholera and two hurricanes.

There are no infrastructures, sewage and electrical systems, public hospitals are absent or in absolutely degraded conditions.

NPH's project in Haiti

NPH has been present in Haiti since 1987 under the guidance of the doctor at the forefront of Father Rick Frechette with a series of projects in the field of health, education, reception for orphans or in desperate need, all supported by the **Francesca Rava Foundation - NPH Italy**.

- **3 hospitals** including the Saint Luc Hospital with the adjoining center for cholera Santa Filomena,
- **2 rehabilitation centers** for disabled children
- **32 street schools** supplying food and education to 10,000 children
- **3 orphanages** that welcome 780 orphans in desperate need
- the Fors Lakay reconstruction project with 200 **houses**, **Internet Center** (already built 3 of 6), a **bakery**, the Saint Mary **hospital**,
- **distribution of pasta, rice, water** (over 1700 truck-tanks per year) in the poorest neighborhoods,
- **funerals** for thousands of abandoned bodies or whose loved ones are too poor for a dignified burial.

NPH's Values

Map of the Tabarre neighborhood
where numerous NPH projects arise

Typical day of the volunteer (depending on what is necessary)

- > h. 7: Mass by priest Rick (optional at the hospital chapel 2min by car from Villa Francesca)
- > h. 8: breakfast
- > h. 9: activities with the children of the baby house and kay st simon, of the hospital, to help priest Rick
- > h. 13.30: lunch at Villa Francesca
- > h. 14.45: activities with the children of the baby house and kay st simon, of the hospital, to help priest Rick
- > h. 18: return to Villa Francesca, rest and dinner.
- > h. 21: after dinner, relazxing and sharing moments

Our projects: volunteering trip

Organizing a volunteering trip to Haiti with a group of students:

As soon as we have the number of persons interested we will proceed to the booking of your tickets.

We need a minimum number of students to organize our trip

This experience will be unique for you and will change you forever

Before booking your trip you'll need to show your interest and maturity on going in such a difficult experience.

Not all people are ready emotionally and that's why we need to know if you are ready to come with us !

Our projects: nightclub

Organising a party at a nightclub in which the benefit will be donated to a project in Haiti.

You will have more infos about the precise date and place

Tickets will be soon on sale

It will be an opportunity for all of us to gather in a nice place for a good cause !!

Thank you for
your attention !

- **Feel free to ask any questions through our social media, website and email.**
